Color Options

Metal Craft® Docks, Ramps, Stairs and Benches are available in three beautiful, long lasting colors. All three colors are priced the same. Deck color samples can be shipped upon request. Specify your color choice when ordering products.

Sea Green

Green with a teal hue. Sea Green complements the natural color of water and blends into the shoreline. It has been used on Metal Craft products since 1957.

Earth Sand

Tan with a dark sand hue. It complements a weathered grey/wood brown décor. It was introduced in 1997 and is our most popular color choice to date.

Cloud White

White with a light grey hue. It complements any color of water or any outside décor. It was introduced in 2000.
